***"WE DON'T JUST TEACH DIGITAL MARKETING
— WE BUILD YOUR EARNING FUTURE."***

Fundamentals of Digital Marketing

Understand the complete digital ecosystem, marketing strategies, funnels, and how businesses grow online.

**"BUILD A STRONG FOUNDATION FOR YOUR
DIGITAL SUCCESS."**

Graphic Designing

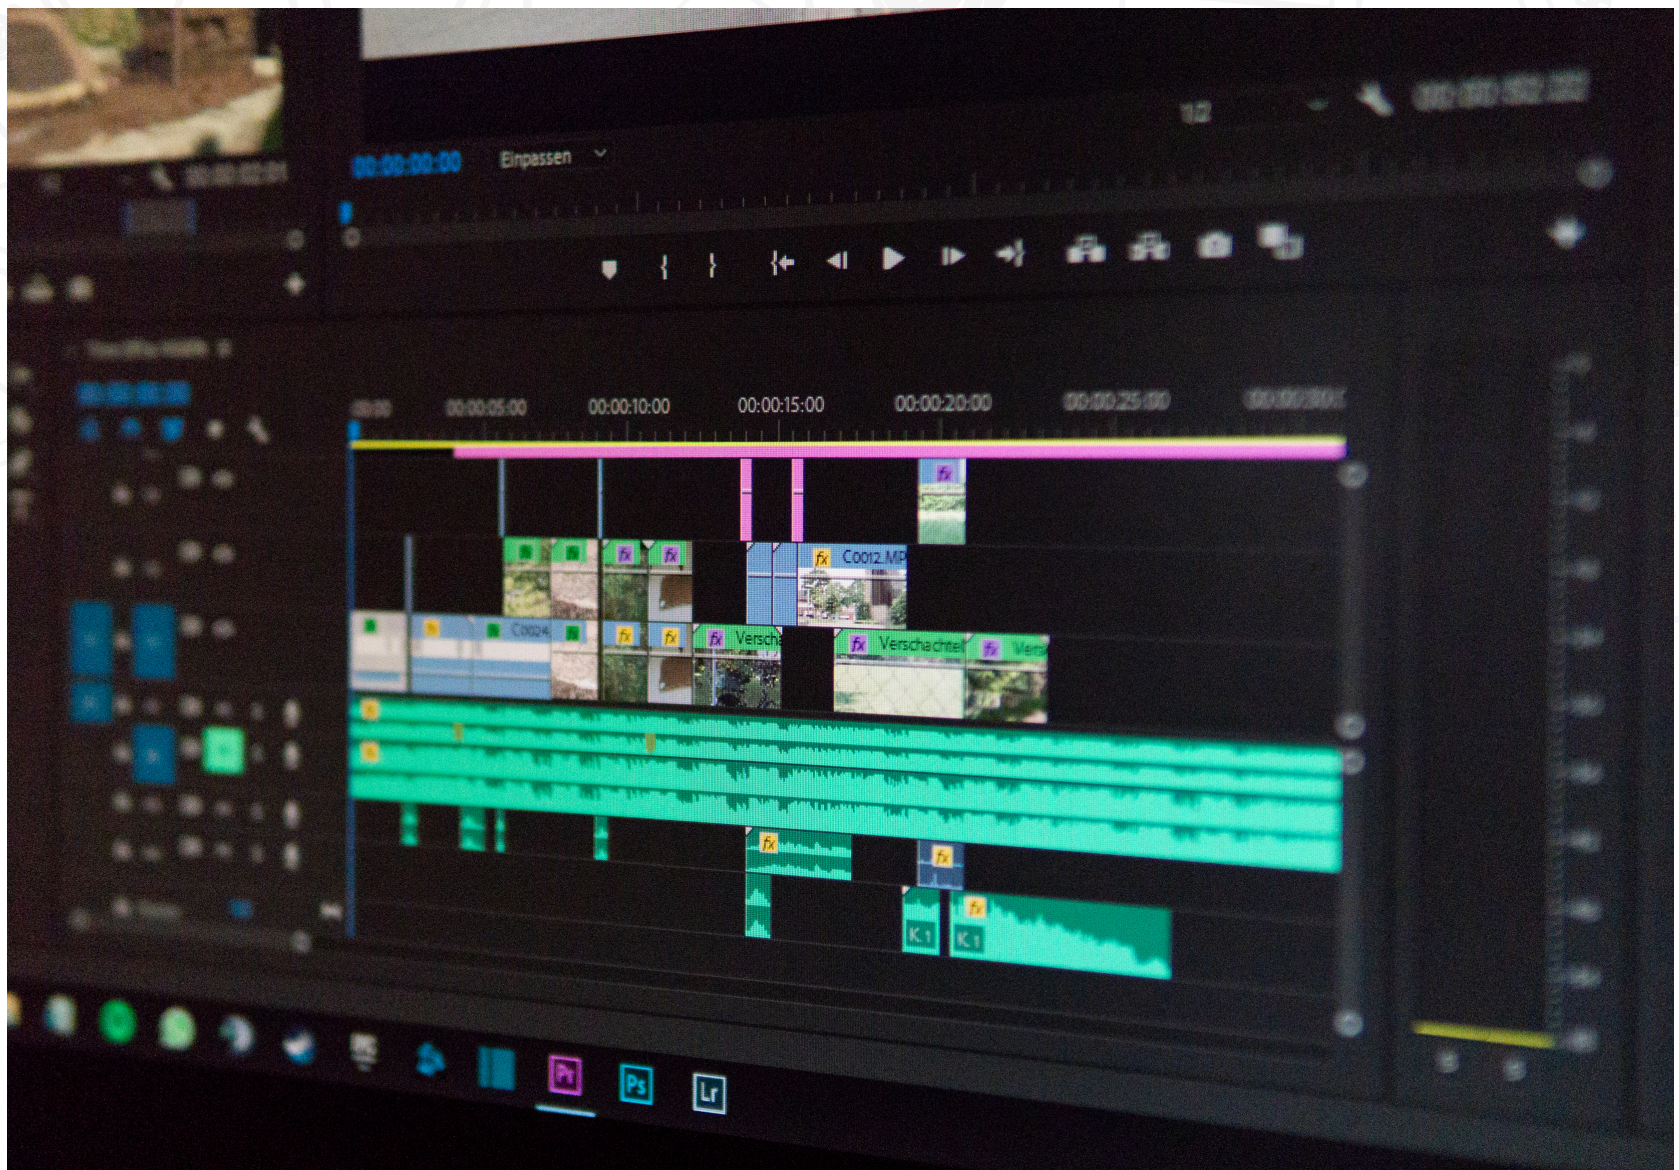

Design social media posts, ads, banners, and branding creatives using tools like Canva & Photoshop basics.

***"DESIGN VISUALS THAT CAPTURE
ATTENTION INSTANTLY."***

Video Editing

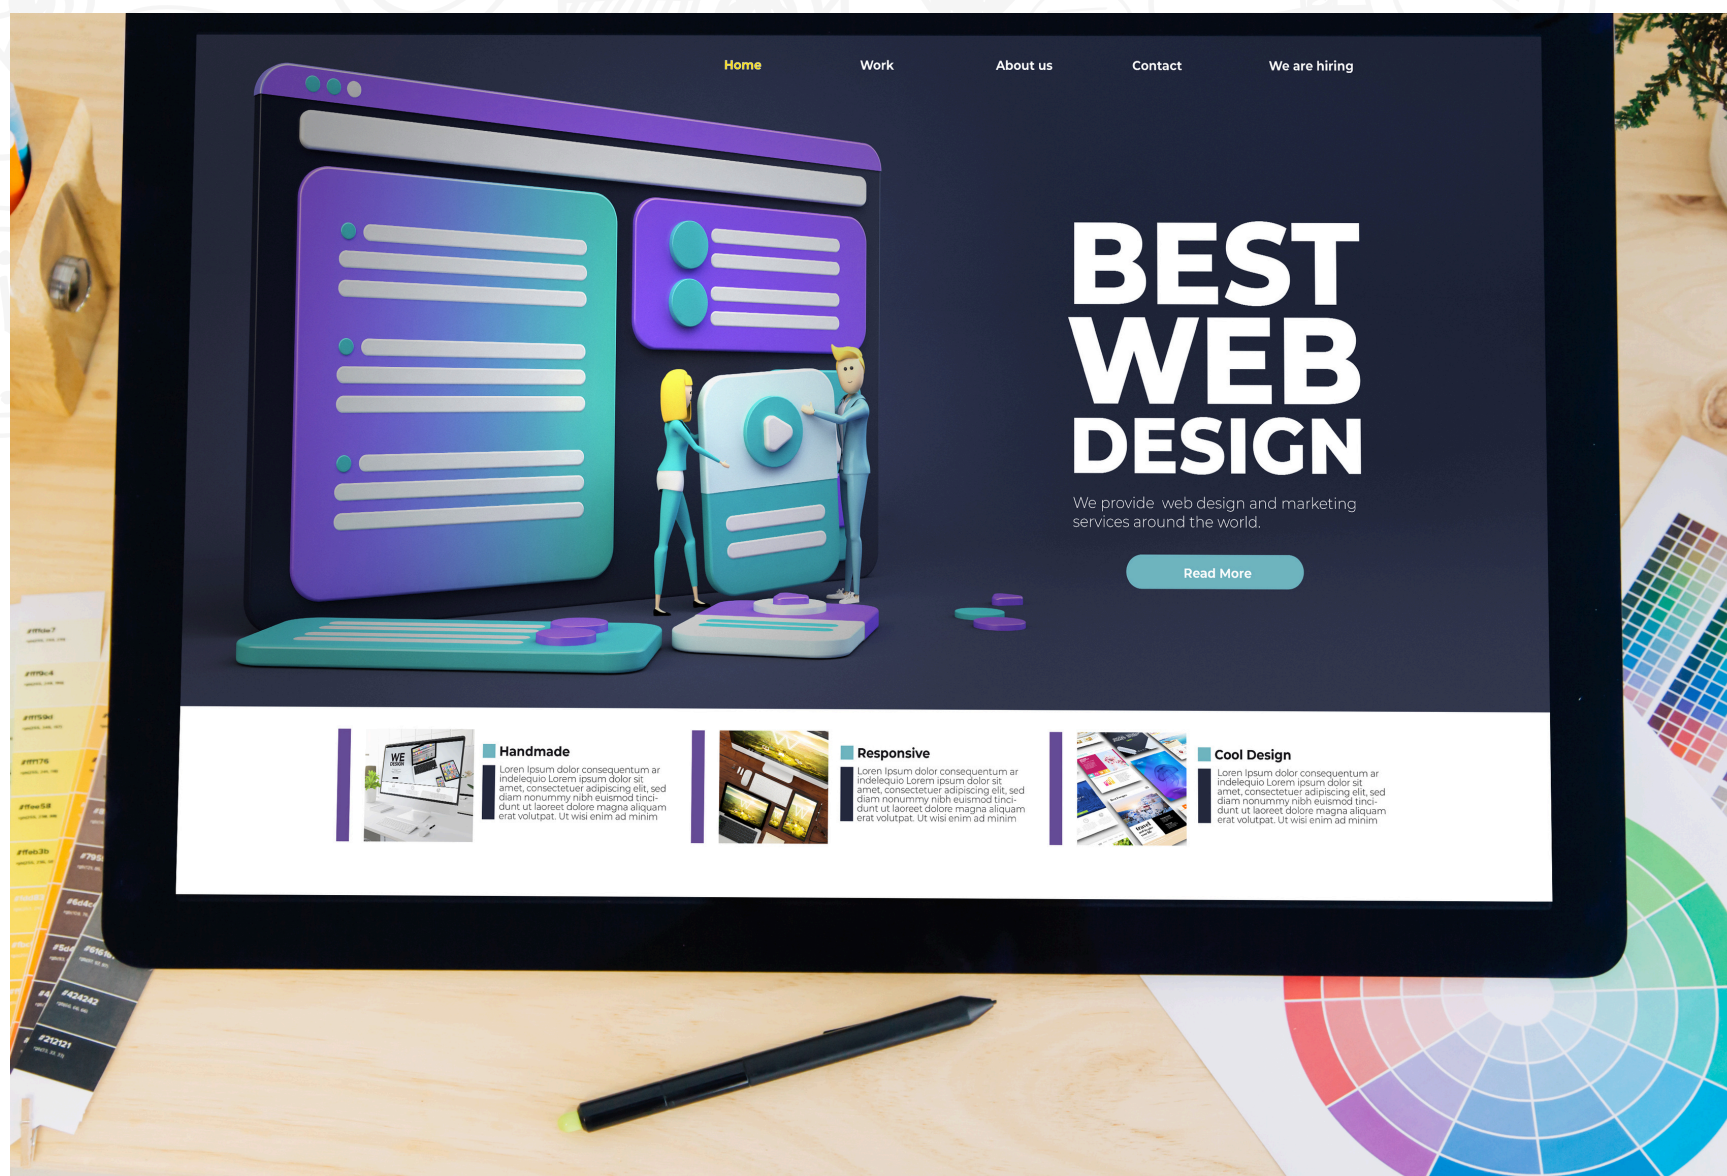

Create reels, ad videos, and YouTube content using modern editing tools for high engagement.

“CREATE ENGAGING VIDEOS THAT DRIVE RESULTS.”

Website Designing (without Coding)

Learn to create professional websites without coding, including domain, hosting setup, landing pages, and business websites.

**“CREATE PROFESSIONAL WEBSITES
WITHOUT CODING.”**

Social Media Marketing (SMM)

Master platforms like Instagram & Facebook—content creation, page growth, engagement strategies, and branding.

***"GROW BRANDS AND ENGAGE AUDIENCES
LIKE A PRO."***

Search Engine Optimization (SEO)

Learn on-page & off-page SEO, keyword research, and how to rank websites on Google organically.

**"RANK HIGHER, GET TRAFFIC, AND
DOMINATE GOOGLE."**

Google Ads (PPC)

Learn search ads, display ads, keyword bidding, and how to generate leads through Google.

***"TURN CLICKS INTO CUSTOMERS WITH
SMART ADVERTISING."***

WhatsApp Marketing

Learn bulk messaging, automation, lead nurturing, and customer engagement using WhatsApp tools.

**“CONNECT, CONVERT, AND CLOSE DEALS
INSTANTLY.”**

Email Marketing

Create professional email campaigns, automation flows, lead nurturing, and customer retention strategies.

**“BUILD RELATIONSHIPS AND BOOST REPEAT
SALES.”**

Freelancing & Client Handling

Learn how to get clients from platforms like Fiverr & Upwork, pricing strategies, proposal writing, and client communication.

***"GET CLIENTS, MANAGE PROJECTS, AND
EARN INDEPENDENTLY."***

Job Preparation in Digital Marketing

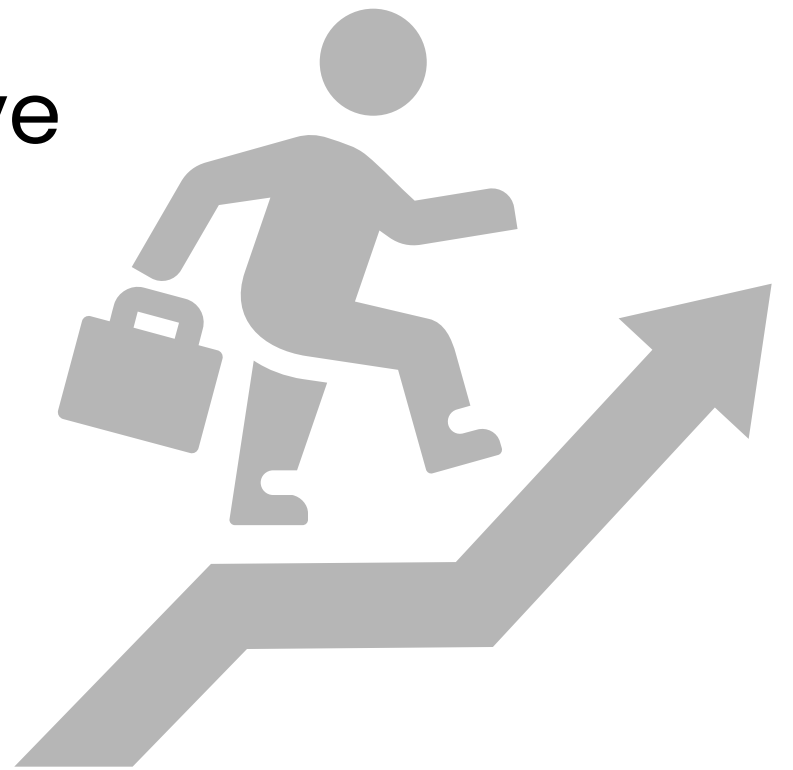

Resume building, interview preparation, portfolio creation,
and guidance to get jobs in digital marketing.

***"BECOME JOB-READY WITH CONFIDENCE
AND SKILLS."***
